

# New River Valley Hazard Mitigation Plan 2010 Update

---

**For the Counties of Floyd, Giles, Montgomery and Pulaski, the City of Radford, and the Towns of Blacksburg, Christiansburg, Narrows, Pearisburg, Pembroke, Pulaski, and Rich Creek**

Directed by the

New River Valley Hazard Mitigation Steering Committee

Prepared by

New River Valley Planning District Commission

Radford University School of Environmental and Physical Sciences

Funding through the **Virginia Department of Emergency Management and the Federal  
Emergency Management Agency**

**New River Valley Hazard Mitigation  
Steering Committee** participants included:

Andrew Foy, City of Radford  
Craig Whittaker, Giles County  
Jamie MacLean, Montgomery County  
Peter Corrigan, National Weather Service  
Kevin Byrd, New River Valley Planning District  
Commission  
Bobby Clark, Pulaski County  
Karen Drake, Town of Blacksburg  
Nichole Hair – Chairperson, Town of  
Christiansburg  
Stan Crigger, VDEM  
Willie Richardson, VDEM

**New River Valley Planning District Commission**  
staff included

Kevin Byrd  
Regina Elsner  
Christy Straight  
Phil Gilbertson  
Justin Blackburn  
Elijah Sharp  
Jack Whitmore  
Jennifer Wilsie

**Radford University School of Environmental  
and Physical Sciences** researchers included

Bernd Keunnecke, Ph.D., Principal Investigator  
Skip Watts, Ph.D.  
Charles Manyara, Ph.D.  
Seth Younger  
Thomas Walker  
Stephen Underwood

## Contents

Chapter 1.	Introduction .....	1-1
1.1	Hazard Mitigation Planning.....	1-1
1.2	History of Hazard Mitigation Planning in the United States.....	1-3
1.3	Hazard Mitigation Planning and the Commonwealth of Virginia .....	1-6
1.4	Virginia’s New River Valley Hazard Mitigation History .....	1-10
1.5	Hazard Mitigation: Links to Sustainability.....	1-12
1.6	New River Valley Hazard Mitigation Plan-2010 .....	1-12
Chapter 2.	Community Profile .....	2-1
2.1	Natural Features .....	2-2
2.2	General History .....	2-9
2.3	Population and Economy .....	2-9
2.4	Housing .....	2-11
2.5	Critical Infrastructure .....	2-13
2.6	Future Growth Areas.....	2-14
Chapter 3.	Planning Process .....	3-1
3.1	Planning Team.....	3-1
3.2	Planning Process .....	3-2
3.3	Plan Participation .....	3-3
3.4	Plan Update.....	3-5
3.5	Public Involvement.....	3-7
Chapter 4.	Hazard Identification and Risk Assessment (HIRA) .....	4-1
4.1	Introduction .....	4-1
4.2	Overview of Assessments .....	4-3
4.3	Drought .....	4-4
4.4	Geologic Hazards: Landslides, Rockfall, Karst, and Earthquakes .....	4-16
4.5	Flooding: Riverine, Flash Flooding and Dam Inundation .....	4-40
4.6	Severe Weather: Severe Winter Weather, High Winds, and Tornadoes.....	4-89
4.7	Wildfire.....	4-100
4.8	Human-caused Hazards .....	4-108

Chapter 5. Mitigation Strategy .....	5-1
5.1 Mitigation Goals and Objectives .....	5-1
5.2 Implementation Projects .....	5-8
5.3 Capabilities Assessment.....	5-9
Chapter 6. Community Summaries.....	6-1
6.1 Floyd County .....	6-1
6.2 Giles County .....	6-2
6.3 Montgomery County.....	6-3
6.4 Town of Blacksburg.....	6-5
6.5 Town of Christiansburg .....	6-6
6.6 Pulaski County.....	6-6
6.7 Town of Pulaski .....	6-7
6.8 City of Radford .....	6-8
Chapter 7. Plan Maintenance .....	7-1
7.1 Plan Adoption.....	7-1
7.2 Plan Implementation .....	7-1
7.3 Plan Maintenance .....	7-1
