

Computer Accounting Application Credential

This credential would be awarded when a client had successfully completed a series of computer accounting application courses (basic through advanced). Courses that are currently approved are:

QuickBooks

Peachtree

Other Accounting Application (must be pre-approved by WIB Executive Director)

Current Training Providers

- ❖ Local Community Colleges (with passing grade of C or “pass” designation)
- ❖ Baileys Computer Technologies (passing course exit test that can be taken over the web at www.brainbench.com the cost is \$50 per test and would probably have to be paid with a credit card)
